TERMS AND CONDITIONS OF FILMS FOR SALE

RIGHTS: 16mm films are sold for private non-theatrical use only in the U.S.A. 16mm non-theatrical, television, video, theatrical and including advertising materials -- all rights, without exception, are reserved by the copyright owners.

SHIPPING: We ship by United Parcel Service and can usually estimate the correct amount of transportation charges in advance. This amount will be added to your invoice. In shipping, we also need a street address. A Post Office Box is not acceptable.

PAYMENT: By Cashier's Check or Money Order. Nebraska and Iowa residents, please add appropriate sales tax.

CONDITIONS OF SALE:

All merchandise is carefully inspected before shipping and is sold on an "as is" basis. Most titles listed are one of a kind. We suggest you give us first, second and third choices. This will expedite your order. Please call to reserve something. We'll hold it for ten days pending receipt of your remittance.

NEUTAPER SPLICERS

The NeuTaper perforates the sprocket holes and trims the edges of the splicing tape accurately and precisely. There are no off center holes nor excess tape. Superior Performance Guaranteed.
